THE POPE SPEAKS ON 17TH SUNDAY Even today, the multiplication of goods cannot solve problems without fair sharing. The tragedy of hunger comes to mind, which affects the little ones in particular. It has been calculated officially that every day in the world around seven thousand children under the age of five die due to malnutrition, because they do not have what they need to live. Faced with scandals such as these, Jesus also addresses an invitation to us, an invitation similar to the one probably received by the boy in the Gospel, who has no name and in whom we can all see ourselves: "Be brave, give what little you have, your talents, your possessions, make them available to Jesus and to your brothers and sisters. Do not be afraid, nothing will be lost, because if you share, God will multiply. Banish the false modesty of feeling inadequate, trust yourself. Believe in love, believe in the power of service, believe in the strength of gratuitousness".
